

WORLD STANDARD DAY CELEBRATIONS 2023

BIS Technical Fest: Celebrating Standards, World Standards Day Campaign

Event Title: BIS Technical Fest: Celebrating Standards, World Standards Day Campaign

Date: 10 October 2023

Location: Board Room

Organized By: Shyam Lal College, University of Delhi

No. of participants: 100

Introduction

IQAC in collaboration with the Bureau of Indian Standards (BIS) organized a captivating technical fest, celebrating the importance of standards and commemorating World Standards Day. The day-long program was filled with diverse activities, including competitions and an insightful technical session. It was a platform for students and participants to gain a deeper understanding of the significance of standards and showcase their knowledge and skills.

Event Schedule

Technical Session (10:00 AM - 11:00 AM)

The event kicked off with an enlightening technical session, led by Mr. Sushil Jaisinghani. During this session, he provided a comprehensive introduction to the Bureau of Indian Standards (BIS) and the relevance of World Standards Day. Mr. Jaisinghani's insights set the stage for the day, highlighting the pivotal role of standards in our daily lives.

Debate Competition (11:00 AM - 12:00 PM)

Following the technical session, the fest hosted a lively debate competition. Participants engaged in thoughtful discussions on the role of standards in ensuring

quality and safety. The debate fostered critical thinking and provided a platform for students to express their views on the subject.

Slogan Writing Competition (11:00 AM - 12:00 PM)

Concurrently, a slogan writing competition was held, allowing participants to encapsulate the essence of standards in concise and creative slogans. This competition encouraged participants to think creatively and communicate the importance of standards effectively.

Poster Making Competition (12:00 PM - 1:00 PM)

The fest continued with a poster making competition, where participants showcased their artistic and visual talents. The posters depicted the significance of adhering to standards for the benefit of society. It was a creative and visually engaging way to convey the message.

Quiz Competition (1:30 PM - 2:30 PM)

The day saw an engaging and competitive quiz competition that tested participants' knowledge about standards, BIS, and World Standards Day. It challenged participants to demonstrate their understanding of the subject matter.

Essay Writing Competition (2:30 PM - 3:30 PM)

The event concluded with an essay writing competition, allowing participants to express their thoughts and ideas in a more extensive format. Participants delved deeper into the role of standards in various aspects of life, reflecting their insights and perspectives.

Conclusion

The BIS Technical Fest: Celebrating Standards was a resounding success, fostering awareness about the significance of standards and their impact on our daily lives. The competitions and technical session provided a comprehensive understanding of BIS and World Standards Day. Participants not only gained knowledge but also had the opportunity to showcase their skills and creativity through various competitions.

The event was a testament to the commitment of BIS in promoting standards and quality, and it left attendees with a deeper appreciation of the role standards play in our society. The engaging activities and enlightening sessions left a lasting impact, inspiring students to uphold and champion standards in their future endeavours.
