DAY LONG QUALITY CONNECT PROGRAMME

On

WORLD STANDARDS DAY 2024

24th October 2024

Event Title: Day Long Quality Connect Programme: World Standards Day 2024

Date: 24 October 2024

Location: Board Room

Organised By: Shyam Lal College, University of Delhi

No. of participants: 80

Introduction

The "Day Long Quality Connect Programme on World Standards Day 2024" event commenced with an enthusiastic welcome from the hosts, Abinash, Arati and Simran. They extended a warm greeting to the esteemed guests and the remarkable students gathered for this significant occasion. The event aimed to celebrate World Standards Day and promote the importance of international standards. It also provided a platform for students to connect with experts from the Bureau of Indian Standards (BIS) and gain insights into their vital role in our lives.

Opening Ceremony:

The event commenced with the ceremonial lighting of the lamp, symbolizing the dispelling of darkness and the pursuit of knowledge. Following this, Soumya, a talented student of Shyam Lal College, presented Saraswati Vandana, invoking the blessings of the goddess of knowledge.

The musical society of Shyam Lal College, Swaragam, presented a Kulgeet of University Of Delhi, adding a cultural touch to the ceremony.

Dr. Leena Singh and Dr. Radhika Gupta, representing the organizing committee, welcomed the distinguished guests, Mr. Ritu Raj (*Scientist E and Director, BIS Delhi Branch Office-II*) and Mr. Sushil Jaisinghani (*Scientist B, BIS Delhi Branch Office-II*) with the presentation of saplings as a symbol of growth and sustainability.

Interaction By Mr.Sushil Jaisinghani:

Mr. Sushil Jaisinghani began the training workshop by engaging the students in an interactive session, focusing on the significance of discipline in our lives. He emphasized the importance of adhering to standards and regulations for achieving excellence in various aspects of life.

Following the interactive session, Mr. Jaisinghani delivered a comprehensive presentation. He provided insights into the pivotal role played by the Bureau of Indian Standards (BIS) in maintaining standards and quality. Key topics covered during the presentation included the genesis of BIS, BIS locations, standardization, the Technical Division Council, product certifications, BIS certification marks, the BIS Care app, and information about their website.

The presentation not only served to educate the students about BIS but also highlighted the importance of the Indian Standards Institution (ISI) mark in ensuring the quality and safety of products. Mr. Jaisinghani's engaging and informative session left a lasting impact on the attendees, emphasizing the critical role standards play in our daily lives.

Technical Fest

Poster Making Competition (11:00 AM - 12:00 PM)

The fest continued with a poster making competition, where participants showcased their artistic and visual talents. The posters depicted the significance of adhering to standards for the benefit of society. It was a creative and visually engaging way to convey the message.

Quiz Competition (11:00 AM - 12:00 PM)

The day saw an engaging and competitive quiz competition that tested participants' knowledge about standards, BIS, and World Standards Day. It challenged participants to demonstrate their understanding of the subject matter.

Standard Writing Competition (11:00 AM - 12:00 PM)

The event concluded with a standard writing competition, allowing participants to express their thoughts and ideas in a more extensive format on Helmet. Participants delved deeper into the role of standards in various aspects of life, reflecting their insights and perspectives

Cultural Performance:

A powerful Nukkar Natak (street play) on standards was performed by AAKROSH, the street play society of Shyam Lal College. The play engaged the audience in a thought provoking manner, highlighting the importance of adhering to global standards.

Youth to Youth Connect Programme

The "Youth to Youth Connect: World Standards Day Campaign" event commenced with an enthusiastic welcome from the host. She extended a warm greeting to the esteemed guests and the remarkable students gathered for this significant occasion. The event aimed to celebrate World Standards Day and promote the importance of international standards. It also provided a platform for students to connect with experts from the Bureau of Indian Standards (BIS) and gain insights into their vital role in our lives.

Dr. Leena Singh and Dr. Radhika Gupta, representing the organizing committee, welcomed the distinguished guests, Mr. Sushil Jaisinghani and Ms. Vishali, with the presentation of saplings as a symbol of growth and sustainability

Following the interactive session, Mr. Jaisinghani delivered a comprehensive presentation. He provided insights into the pivotal role played by the Bureau of Indian Standards (BIS) in maintaining standards and quality. Key topics covered during the presentation included the genesis of BIS, BIS locations, standardization, the Technical Division Council, product certifications, BIS certification marks, the BIS Care app, and information about their website

Program Coordination:

Dr. Leena Singh, serving as the convener, and the event coordinators, Dr. Radhika

Gupta, Dr. Saubhagyalami Singh, and Dr. Ajay Shankar Bangwal, played instrumental roles in ensuring the smooth execution of the program. Their meticulous planning and dedication were evident in the seamless flow of the event.

Conclusion

The BIS Technical Fest: Celebrating Standards was a resounding success, fostering awareness about the significance of standards and their impact on our daily lives. The competitions and technical session provided a comprehensive understanding of BIS and World Standards Day. Participants not only gained knowledge but also had the opportunity to showcase their skills and creativity through various competitions. The event was a testament to the commitment of BIS in promoting standards and quality, and it left attendees with a deeper appreciation of the role standards play in society. The engaging activities and enlightening sessions left a lasting impact, inspiring students to uphold and champion standards in their future endeavours.
