REPORT ON COMPITO'24

On February 14-15, 2024, Shyam Lal College (Accredited Grade A++ by NAAC), University of Delhi, held COMPITO'24 - A job and internship fair for students seeking internships and job opportunities. The event aimed to connect students with various organizations offering internship and placement opportunities. The job fair was organized by the Training and Placement Cell of college and 40+ companies participated in the event. The students were interviewed for 25+ diverse profiles ranging from Business Development Associates, HR Associates, Marketing and Sales Managers, etc.

The job fair was held in the college's main ground and lasted for around 5 hours from 11:00 am to 4:00 pm. The event witnessed the mammoth registration of more than 580+ candidates of Shyam Lal College. There were around 330+ students from commerce backgrounds, 150+ students from arts backgrounds, and 100+ students from science backgrounds. The participating organizations came from various sectors like IT, finance, consulting, retail, and manufacturing, among others. The fair witnessed participation from various companies and start-ups. The companies had set up stalls in the ground where students could interact with the company representatives and learn more about the job and internship opportunities available. The list of companies included Planet Spark, Enexperts Consulting, Gainers, GSC Associates, Provident Capital, Prop Karma, Testprep Kart, Glamour Ray, Arm Worldwide, etc.

We are proud to say that our highest placement package for the year is 7.5 LPA. The Average package is 4,20,288, the Median Package is 3,75,000 and the Highest Package is 7,50,000. We are also proud to witness the growth in companies that visited in the past year as compared to this year has soar to 57%. The gross value of package offered in the year was 77,30,000 and has reached to an amazing growth of 2,18,55,000 this year, i.e., 182% of growth. The highest stipend witnessed this year is 15,000 in 22+ various fields. Gross value of stipend offered in the previous year was 1,61,000 which has increased to 16,20,000 that is 906.21% growth. The average stipend for the year is 6,952. The median stipend is 5000 and the highest stipend soars to 25,000.

The job fair began with the inauguration of the event by ribbon cutting ceremony by the college's faculty, welcoming the companies and students to the event. The placement cell team then briefed the students on the process of interacting with the company representatives and how to make the most of the event. The students were then free to move around and visit the stalls of the various companies. The companies had set up posters, banners, and brochures showcasing their organization and the job or internship roles they were offering. The students were free to approach the company representatives, ask questions, and learn more about the opportunities available.

Several companies also conducted pre-placement talks, where they discussed their company culture, job roles, and expectations from the students. This provided students with an opportunity to get a better understanding of the company and its work culture.

The job fair was a successful event, with students getting an opportunity to interact with companies and learn about various job and internship opportunities. The students were enthusiastic and had an active participation throughout the event. The college placement cell also received positive feedback from the participating companies, who were impressed with the quality of students and the event organization. Overall, the job fair was a significant success and helped to connect students with companies looking for talented and skilled employees.
