

## **International Pi Day Celebration**

The International Pi Day celebration by Anantsparshi Mathematics Society, Shyam Lal College on 14<sup>th</sup> March 2024 was a remarkable success, bringing together students, faculty and distinguished guests in a vibrant atmosphere of mathematical exploration. The event aimed to honour the mathematical constant  $\pi$  and its profound significance in various fields.

The festivities commenced with an inaugural ceremony, featuring warm welcome and introductions of esteemed guests. This set the stage for a series of engaging activities, keynote addresses, and interactive sessions designed to celebrate the essence of Pi Day. We were privileged to welcome Prof. Jagmohan Rai and Dr. Sumit Kumar Sharma whose presence added prestige to the occasion. Their insightful contributions enriched the event and inspired all attendees.

Throughout the event, participants engaged in a diverse array of activities, including pi recitation competitions, mathematical quizzes, and hands-on workshops exploring practical applications of  $\pi$ . Moreover, the event served as a platform for attendees to delve into the captivating realm of mathematics, facilitating a deeper comprehension of  $\pi$ 's significance in shaping our comprehension of the cosmos. Participants were challenged in pi recitation competitions to demonstrate their memorization prowess, while mathematical quizzes encouraged the cultivation of critical thinking and problem-solving abilities. Through hands-on workshops, not only were the theoretical aspects of  $\pi$  explored, but its practical applications in diverse fields such as engineering, physics, and technology were also demonstrated. The collaborative ambiance fostered meaningful exchanges of ideas and ignited inspiration among participants, underscoring the enduring relevance and adaptability of mathematical principles. In essence, the International Pi Day celebration stood as a beacon of intellectual curiosity and academic excellence, leaving an indelible mark on all those in attendance. The event witnessed the active engagement of approximately 70 students and 16 staff members.
