

Report: Celebration of National Mathematics Day

Date: December 22, 2024

Venue: Google Meet

Total no. Students: 53 and Faculties: 15

On the occasion of National Mathematics Day, The Mathematics Department of our college proudly hosted a ceremony to celebrate the 137th birth anniversary of the legendary Indian mathematician, Srinivasa Ramanujan. The event was organized to honor his monumental contributions to the world of mathematics and to inspire the next generation of students. The celebration was graced by the presence of our esteemed Principal Prof. Rabi Narayan Kar, our Convener Dr. Anuj Kumar Sharma, Dr. Kusha Tiwari, other respected faculty members, and enthusiastic students.

The event began with a traditional and auspicious start, with the students performing Saraswati Vandana to invoke the blessings of the goddess of knowledge. This was followed by the rendition of the National Anthem and the Delhi University Kulgeet, instilling a sense of patriotism and institutional pride among all attendees.

Legacy Following the inaugural session, we were honored to have a lecture session by our departmental professor, Dr. Virender Kumar. He delivered an insightful and engaging talk, delving into the life and groundbreaking work of Srinivasa Ramanujan. Dr. Kumar highlighted Ramanujan's extraordinary intuition and his profound contributions to areas like number theory, continued fractions, and infinite series, all of which were largely self-taught. His lecture served as a powerful reminder of Ramanujan's timeless genius and his enduring impact on modern mathematics. Paper Presentation Competition The second part of the event featured a vibrant paper presentation competition. This platform provided students with an opportunity to showcase their research, analytical skills, and deep understanding of mathematical concepts. The participants presented papers on diverse topics, demonstrating both creativity and scholarly rigor. The competition was a resounding success, fostering a spirit of academic inquiry and healthy competition among the students. The quality of the presentations was highly commendable and reflected the hard work of the students and the guidance of their mentors.

The celebration of Ramanujan Day was a significant success, effectively honoring the legacy of one of the greatest mathematicians in history. The combination of a deeply informative lecture and a stimulating student competition created an environment of learning and inspiration. The event not only paid tribute to Srinivasa Ramanujan but also encouraged students to pursue their academic passions with the same dedication and curiosity that he embodies.

SLC (UNIVERSITY OF DELHI)
SHYAM LAL COLLEGE
 NAAC A++
 Department of Mathematics & IQAC
 Celebrates
NATIONAL MATHEMATICS DAY
WITH PPT PRESENTATION ON APPLICATION OF MATHEMATICS
 on the occasion of 137th Birth Anniversary
 of
SRINIVASA RAMANUJAN
 on
 22nd December, 2024
 Time: 10:30 onwards
 Platform: Google Meet

Dr. Anuj Kumar Sharma
 TIC, Department of Mathematics

Prof. Kusha Tiwari
 Director, IQAC

Prof. Rabi Narayan Kar
 Principal
