SHYAM LAL COLLEGE, DELHI UNIVERSITY

NAAC A++

## Rasaynika 2024-25

Rasaynika Chemical Society, Department of Chemistry, SLC in collaboration with Department of Botany, SLC and Department of Chemical Engineering, NIT, karnataka, Surathkal successfully organized “**National Science Day**” celebration on 28 February 2025 under the guidance of Prof Arkaja Goswami, TIC & Convenor . The event was a grand celebration of science, culture, and creativity, engaging students in various activities that enriched their knowledge and skills.

## Event Highlights

### **Saraswati Pooja**

The program commenced with a Saraswati Pooja, where faculty members and students gathered to seek the blessings of Goddess Saraswati. The serene atmosphere, filled with the chanting of mantras and devotional hymns, set a spiritual tone for the day.

### **Address by Keynote Speaker**

A special lecture was delivered by **Professor Raj Mohan Balakrishnan** of Department of Chemical Engineering, NIT, karnataka, Surathkal. The distinguished speaker provided insightful knowledge on Sustainable Development technologies to the students and faculties present in the event. The presentation was highly inspiring and encouraged young minds to contribute their key role towards sustainable development targets for the over all well being of planet earth.

### **Quiz Competition**

A Quiz Competition was organized, where participants competed individually. The quiz covered various aspects of chemistry, including theoretical concepts, practical applications, and general scientific awareness. The enthusiasm among students was remarkable, and the competition was both challenging and engaging.

### **Puzzle and Poster Making Competitions**

To add a fun and artistic element to the event, Puzzle Solving and Poster Making Competitions were held. In the Puzzle Competition, students solved chemistry-related riddles and logical problems, showcasing their analytical thinking. The Poster Making Competition focused on creative representations of prominent Indian Scientists and their Ground breaking work which Students beautifully depicted through colors and designs.

### **Prize Distribution**

Celebrating Excellence After the competitions, the prize distribution ceremony was held, where winners of the Quiz, Puzzle, and Poster Making Competitions were felicitated with awards. The joy and excitement among the participants were evident as they received recognition for their efforts.

### **Conclusion**

The event concluded on a high note with a vote of thanks by the organizing team, appreciating the support of faculty members, collaborative teams, and the enthusiastic participation of students. The

Rashyanika Program successfully blended academics, culture, and creativity, making it a memorable event for all attendees.

The program not only enhanced scientific temperament but also encouraged students to explore chemistry beyond textbooks, fostering a spirit of curiosity and innovation.
