

SLC(University of Delhi) National Service Scheme Report on

"Webinar on "Role of Women Scientists around the World under STEM"

Date:- 8th March 2025

Time:- 04:00 PM

Venue:- Online Mode

No. Participants:- 50

On the occasion of International Women's Day, the **National Service Scheme (NSS) Unit of Shyam Lal College (University of Delhi)**, in collaboration with the **Department of Chemistry**, successfully organised an insightful **Webinar on the topic: "Role of Women Scientists around the World under STEM"** on 8th March 2025 via Google Meet.

The webinar commenced at 4:00 PM, with an overwhelming participation of students, faculty members, and esteemed guests. The session aimed to highlight and celebrate the invaluable contributions of women scientists across the globe in the fields of Science, Technology, Engineering, and Mathematics (STEM).

The event was graced by **Prof. Arkaja Goswami**, TIC, Department of Chemistry, Shyam Lal College, who served as the Convenor and addressed the gathering with her motivating words on the significance of women empowerment in scientific research. The session featured distinguished speakers including:

- **Prof. Sunita Bhagat** (Atma Ram Sanatan Dharma College)
- **Prof. Ruby Mishra** (Deshbandhu College)
- **Dr. Neha Paras** (Jawaharlal Nehru University)
- **Dr. Divya Mathur** (Daulat Ram College)

Their profound insights and experiences shed light on the remarkable journeys of women in STEM, the challenges they face, and the transformative roles they

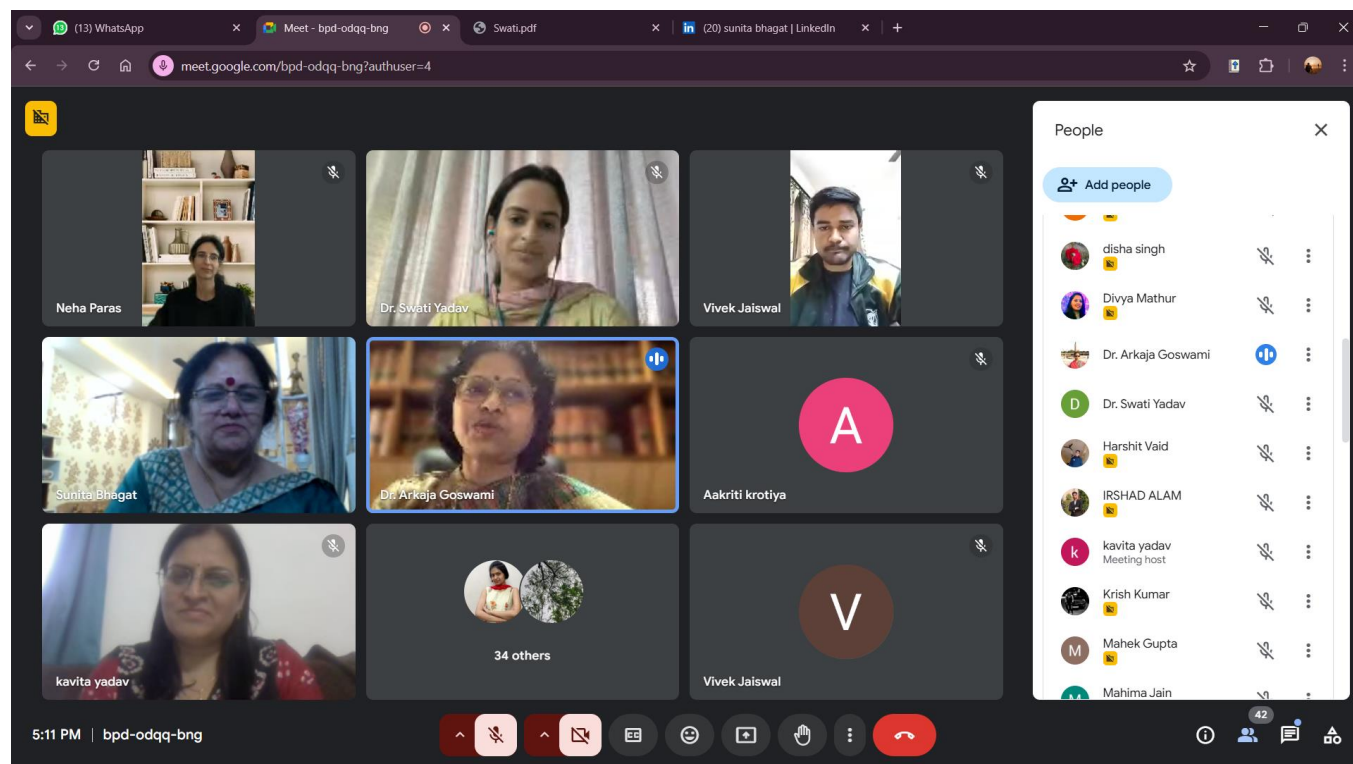

play in shaping the future of science and technology.

The session also included the valuable presence of **Dr. Swati Yadav**, Coordinator, Department of Mathematics & Programme Officer of NSS, and **Dr. Kavita Yadav**, Co-convenor, Department of Chemistry, who added further depth to the discussions with their perspectives.

The interactive segment of the webinar allowed students to engage directly with the speakers and clarify their doubts regarding opportunities and advancements for women in scientific domains. The session concluded on an inspiring note, encouraging students to pursue careers in STEM with determination and enthusiasm.

As a highlight of the event, two students from Shyam Lal College, **Shristi Puri** and **Swati Kumari**, participated as presenters, sharing their insightful presentations on the role and contributions of women scientists globally.

The webinar was a grand success, fostering awareness and appreciation for the contributions of women in STEM and motivating the young minds to contribute to scientific advancements in the future.

5:15 PM | bpd-odqq-bng

Dr. Arkaja Goswami, Sunita Bhagat, Neha Paras, Krish Kumar, Vivek Jaiswal, kavita yadav, Dr. Swati Yadav, Preeti Mandal, 34 others, Vivek Jaiswal
