A detailed description of the event: Jharokha conducted its auditions for the session 2023-24 from **23rd August 2023 onwards** in the college premises. The audition was divided into two rounds - Round I and the Interview Round. Participants who cleared the preliminary round were called for the interview round. More than 200 students participated in the audition out of which only 54 made it to the team. The process was extremely rigorous as each person carried their own unique talent and skills.

The selected team members were then called for our annual orientation program **“Rubaroo'23”** which was conducted in the **Seminar Hall** on **12th September 2023**. The orientation programme was a successful meet and greet among the new and the old members of Jharokha along with that it gave the new members an insight into the brief history and the workings of our society. The day was highly interactive with lots of conversations and fun theatrical activities.
