Dr. Narender Singh

Journals

Singh, N and Sinha, A (2010) Chaos Based Secure Communication System using Logistic Map. *Optics and Lasers in Engineering* 48(3):398-404.

Singh, N and Sinha, A (2010) Chaos Based Multiple Image Encryption Using Multiple Canonical Transforms. *Optics and Laser Technology* 42(5):724-731.

Singh, N and Sinha A (2010) Digital Image Watermarking using Gyrator Transform and Chaotic Maps. *Optik - International Journal for Light and Electron Optics* 121(15):1427-1437.

Singh, N and Sinha, A (2010) Optical Image Encryption using Improper Hartley Transforms and Chaos. *Optik - International Journal for Light and Electron Optics* 121(10):918-925.

Singh, N and Sinha, A (2009) Gyrator Transform-Based Optical Image Encryption Using Chaos. *Optics and Lasers in Engineering* 47(5):539-546.

Singh, N and Sinha, A (2009) Optical Image Encryption using Hartley Transform and Logistic Map. *Optics Communications* 282(6):1104-1109.

Singh, N and Sinha, A (2008) Optical Image Encryption Using Fractional Fourier Transfor and Chaos. *Optics and Lasers in Engineering* 46(2):117-123.
