Venue: NCC flag area near main gate

No. Of Student performed: 01

Performance by Aarodhya The Indian Dance Society in collaboration with Aarodhya -Western Dance Society on Republic Day was a proud homage to our nation's rich history and enduring spirit of unity. Against the backdrop of the tricolor, our dancers took the stage with a sense of reverence and pride, ready to showcase the diversity and vibrancy of Indian culture. Choreography was done by the team heads of both of the societies Jhalak Achra , Arti and Bhuvi. Through a medley of dance forms spanning the length and breadth of the country, we paid tribute to the sacrifices of our freedom fighters, the resilience of our people, and the ideals enshrined in our Constitution. But beyond the spectacle, our Republic Day performance was a call to action, a reminder of the responsibilities that come with the privilege of living in a democratic republic. Through our artistry, we sought to inspire unity, tolerance, and a commitment to upholding the values of justice, liberty, equality, and fraternity.
