On the occasion of **Vasant Panchami, Aarodhya – The Indian Dance Society** showcased two beautiful solo performances near the garden area at the main gate under the aegis of त्रिणीति organised by Finearts Photography and Cultural Society.

Performed by Tanya and Aadya, both choreographing their routines independently, the performances reflected elegance, devotion, and the spirit of the festival. Tanya performed a Saraswati Vandana however Aadya's act represented the beginning of the spring season. Each dancer brought her own unique style and expression to the stage, celebrating the arrival of spring and the blessings of Goddess Saraswati through the art of dance.

The serene ambiance of the garden area added to the charm of the performances, creating a peaceful and culturally enriching experience for the audience.
