

SLC (UNIVERSITY OF DELHI) **SHYAM LAL COLLEGE**

ENACTUS

Workshop in collaboration with IMS

On **17th October 2024**, *Enactus Shyam Lal College* organized an insightful workshop titled **"How to Crack CAT 2025"** in collaboration with **IMS**, a leading institute in test preparation and career mentorship. The workshop was designed to equip students with effective strategies, preparation techniques, and a clear understanding of the CAT (Common Admission Test), one of the most competitive entrance exams for MBA aspirants in India.

The session was conducted by **Mr. Siddharth Singhal**, an experienced mentor and CAT trainer from IMS, who has guided hundreds of students in their journey to top B-schools. With his practical approach and engaging delivery style, Mr. Singhal captivated the audience and offered expert guidance on how to approach CAT 2025 with confidence and clarity.

The workshop began with a warm welcome and a brief introduction by the Enactus team, followed by an in-depth session by the speaker. Mr. Singhal addressed the **structure and pattern of CAT**, including the three key sections—**Verbal Ability & Reading Comprehension (VARC)**, **Data Interpretation & Logical Reasoning (DILR)**, and **Quantitative Ability (QA)**. He also discussed time management strategies, the importance of mock tests, and how to analyse performance to improve steadily over time.

Moreover, the session focused on **building a personalized preparation plan**, identifying individual strengths and weaknesses, and maintaining consistency. Mr. Singhal also shared tips for managing pressure on exam day and insights into post-CAT procedures such as the selection process, interviews, and choosing the right B-schools.

The workshop witnessed active participation from **over 120 students**, many of whom showed keen interest in pursuing an MBA. A dedicated Q&A segment allowed students to interact directly with the speaker, asking questions related to preparation timelines, study resources, and handling specific topics like RC passages or quantitative puzzles.

The event concluded with a note of thanks to **IMS** and **Mr. Siddharth Singhal** for conducting such an informative and motivational session. The workshop proved to be a valuable experience for all attendees, leaving them better informed and inspired to begin or strengthen their CAT preparation journey.
