The Falcon Films Society, the filmmaking society of Shyam Lal College successfully organized an exciting On-the-Spot Short Filmmaking Competition as part of the National Falcon Films Festival 7.0, on 3rd April 2025. The event brought together budding filmmakers from across Delhi-NCR to challenge their storytelling skills and creative instincts under pressure.

The event commenced in the Broad Room of the new building, where all participating teams were welcomed and briefed about the competition's topic — "Whodunit" — and the guidelines for the shoot. The theme urged participants to craft compelling short films in the crime thriller genre — all within a limited time frame of four hours to shoot and edit their films on campus. The competition truly tested the skills, spontaneity, and vision of each team.

From thought-provoking scripts to gripping cinematography and tight editing, the event showcased an array of powerful and inventive narratives that captivated judges and the audience alike.

Before announcing the results, our esteemed Convenor, Dr. Raj Kumar Prasad, addressed the gathering with a motivating speech. He inspired all the participants and appreciated the efforts of every team member. He also shared a few insightful points on the art and technique of filmmaking, which further enriched the learning experience for everyone present.

Winners of the Competition:

1. Filmtantra – First Place
2. Effulgence – Second Place
3. Kalakaar (NSS) – Third Place

The Falcon Films Society extends heartfelt congratulations to the winners and sincere appreciation to all participating teams for their passion and creativity. The competition was a celebration of cinematic spirit, collaborative energy, and the enduring love for storytelling.

Conclusion:

At the beginning of the fest, we faced a few hardships and unforeseen challenges, but with dedication and teamwork, everything came together beautifully. The event turned out to be a memorable and enriching experience for everyone involved.
