REPORT 2020-21

Swaraagam, the music society of Shyam Lal College, under the guidance of its Convenor, Mr. Rajarshi Kalita, and teachers such as Rapti Mishra and Monika Khemani, performed a theme-based musical concert on the occasion of Yamuna Festival, 6th March 2021.

The society initiated the event by bringing up its own version of a tribute to the rivers of the world by recalling one's duty to join hands in a drive to conserve the rivers. The second performance was a dedication to River Ganga, one of those which is eternally worshipped in our country, the greatest amongst all the rivers whose tributary is River Yamuna.

The next performances were based on rain foregrounding its importance and how it fills the thirst of rivers and how it is a medium for sky to address its love for earth. The last performance was a mashup built around the theme of river, rain and spring. The performances were concluded by addressing the society members by the president of the society, thanking the principal and addressing the heads of society.
