No. of Participants: 15

Swaraagam, the Music Society of Shyam Lal College, conducted re-auditions to welcome new talent into the society for the academic session 2025–26. The auditions were organized with the objective of providing a second opportunity to enthusiastic students who could not participate in the first round or who wished to showcase their musical skills once again.

The re-auditions witnessed an enthusiastic response from students across different courses. Participants showcased their versatility in various genres of music including Indian classical, semi-classical, Western, and contemporary styles. Both vocalists and instrumentalists participated, creating an atmosphere filled with melody and rhythm.

The panel of judges, comprising the office bearers of Swaraagam along with senior members, evaluated the participants based on parameters such as sur, taal, rhythm, voice quality, creativity, stage confidence, and overall performance. After a careful selection process, a number of talented students were inducted into the society.

The re-auditions not only helped in discovering new talent but also ensured inclusivity by giving every interested student an equal chance to be a part of Swaraagam. With the addition of new members, the society looks forward to enriching its musical journey and continuing its tradition of excellence in college and inter-college events.

The event concluded with a note of encouragement for all participants and a warm welcome to the newly selected members.
