This card bearing bar-code is an in-house product developed by the technical team of the college. This one stop card is revolutionary as it makes the entire data just one click away and so is less time-consuming with minimum chances of being faulty and ensures better access to the on-campus facilities like:

- a) Issuing books in library- the students can issue books with the help of SSO card and they would not require any separate library card.
- b) Security- It makes screening easier on special days like student elections, College fest, annual function etc. to avoid any scuffles and untoward incidents in the campus.
- c) Payment of bills- the College is also thinking of creating a pay wallet which will be connected with students' account so as to make their campus experience better.

The Administration is virtually in touch with the non-teaching staff all the time during office hours. All the officials of the College are connected with the Principal through Google worksheet where routine jobs are assigned to concerned officials and are routinely monitored.

ACADEMIC SOCIETIES

SLC has nine departments, classified on the basis of academic subjects taught by the faculty. These are: Chemistry, Commerce, Economics, English, History, Hindi, Mathematics, Physics and Political Science. Each of these departments has its respective Academic Association. These associations organize seminars, conferences, workshops and talks specific to that subject, as well as cultural events and competitions on an inter-departmental basis. For instance, the Economics Association could organize a debating competition on any topic related to Economics. Likewise the Commerce Association could organize talks and seminars on subjects related to marketing, internal business and finance. Literary activities in the College would come in the domain of English Association or the Hindi Association.

Arts and Cultural Societies

The Fine Arts and Cultural Society of the College is exceptionally active. With the intend to bestow creative expression opportunity to students, the Fine Arts and Cultural Society of the College regularly organizes a variety of co-curricular activities. Under its banner, the following societies co-function-

We have had two curative shows one in the memory of music legend R. D. Burman and another on Sahir Ludhianvi in the past. This year also saw many great performances by SLCians at various platforms. Like, 'Aakrosh' the Street Play Society performed at MOOD INDIGO, Asia's largest fest held at IIT, Bombay and brought laurels to the college. Likewise, all the Clubs under Fine Arts and Cultural Society, have brought many laurels to the College in various national and university level competitions.

SLC Alumni

The College has a very active Registered Alumni Association. The college feels proud of its alumni who have been holding key positions in govt/private sectors. The alumni of this institution have been giving their valuable contributions to the society. The alumni stay in regular touch with the ongoing batches and share their valuable experiences from time to time. The alumni, as a part of their continued commitment to the College, also invite the students for industrial visit to their organizations and also offer numerous opportunities to work with them. In current academic session, the Alumni Meet was organized on November 24, 2019. Ex-students of the College registered for the event starting from 1984 batch. It was a day full of excitement for all the participants. Numerous fun activities like games, solo performances, speeches and poetry sessions were held for our passout students. In order to facilitate the said Merit List, the Candidate may choose subjects as relevant from List A and List B.

Relaxations in Program-specific Eligibility Criteria

Computing Merit Score: General Guidelines

Program specific eligibility criteria determines the merit score on which admission to each program is based. Candidates must study these criteria carefully to understand if they qualify. The detailed program specific criteria are in sections 2.2 – 2.9 below.

1. All academic subjects may be treated as “elective.” The subjects eligible for computation (subject to program-specific criteria) are listed above in List A and List B.
2. The University may define any other relevant subjects as academic/elective for a particular program.
3. Merit is calculated through program-specific combinations of marks obtained in the qualifying examination in the “Best Four” subjects for admission to programs through the faculties of Arts, Commerce, Mathematical Sciences, Music, Social Sciences, Applied Social Sciences & Humanities, and program-specific combinations of “Three Subjects” for admission to programs under the faculties of Sciences and Applied Sciences

Special Instructions for Boards other than CBSE

1. If a paper's title does not match with what is specified in List A and List B above, it is mandatory for the Candidate to provide a content equivalence certificate from the Principal/Head of the Institution last attended, certifying that the paper's content is equivalent to NCERT Class XII syllabus for that paper. This equivalence certificate must be accompanied by a copy of the syllabus of the paper attested by the Principal/Head of the Institution. However, the University of Delhi's decision on the matter will be final and binding.
2. If the Candidate has studied "Botany" and "Zoology" separately, the total of marks in both these papers must be entered in the respective fields for theory and practicals under the heading "Biology" in the field provided in your admission form.
3. If the Candidate's marksheet contains both Class XI and XII marks, the Candidate must enter only the Class XII marks in the respective fields provided in the admission forms.
4. Candidates should have passed theory and practical separately. Any paper with both theory and practical component will be considered only in the ratio 70 (theory) : 30 (practical) if the theory component of the paper is less than 70%. The Candidate should separately fill into the online Admission Form the marks obtained and maximum marks for theory and practical each, and the totals, as per their marksheet. In case the theory/practical breakup is not specified, the Candidate will be required to enter only their total marks in the first field ("Theory") for that paper in the online Registration Form. (See Appendix IX, Example 1 for sample calculations.)
5. "Internal Assessment" marks, if any, mentioned in the marksheet will not be used for any calculations. (See Appendix IX, Example 2 for sample calculations.)
6. Any discrepancy in the entry of marks pertaining to theory, practicals or totals will be the sole responsibility of the Candidate. Candidates are advised to exercise utmost care in filling up the registration form as errors in entry may lead to summarily rejection of the form.
